The aquarium was built underground. The last activity was a good memory because I was able to experience various things and learned a lot for the first time.

I went to Auckland ZOO and Kelly Tarlton. I was worried about my animal allergy. But nothing occurred, so I was lucky. I could see many rare animals. After watching the souvenirs, I went to Kelly Tarlton. It is smaller than Kaiyukan Aquarium. But it is very stylish. There were so many penguins there. They were very cute. The tunnel style was so clever. I'll enjoy homestay the last 1 week.
